

Gordon Dailey – New Zealand

Beginning from Christchurch we head over Arthur's Pass to the rugged West Coast. After visiting Hokitika, home of the famous NZ Pounamu (Greenstone) we travel south past Glaciers and mirror lakes. We cross the Southern Alps again through Haast Pass to Queenstown and on down to the magnificent Milford Sound.

On our way back to Christchurch we spend a few days in Queenstown, Aoraki (Mount Cook), Tasman Glacier and the iconic Church of the Good Shepherd on Lake Tekapo.

This is a beautiful trip for those who've not been to the South Island and will bring back great memories for those who have been.
